Careless

Now that you've got me loving you

You're careless

Careless in everything you do

You break appointments and think you are smart

If you're not careful, you'll break my heart

Careless

Now that my bridges all are burned

You're careless

Careless in things where I'm concerned

Are you just careless as you seem to be

Or do you just careless for me?

(Careless, ooooooooh)

You're careless

Careless in things where I'm concerned

Are you just careless as you seem to be

Or do you just careless for me?

(Careless, ooooooh)
