From Russia with love, I fly to you  
Much wiser since my goodbye to you  
I've traveled the world to learn  
I must return from Russia with love

I've seen places, faces,  
And smiled for a moment  
But, oh, you haunted me so  
Still, my tongue-tied, young pride  
Would not let my love for you show  
In case you'd say no

To Russia I flew, but there and then  
I suddenly knew you'd care again  
My running around is through  
I fly to you from Russia with love

#### INSTRUMENTAL BRIDGE

My running around is through  
I fly to you from Russia with love
