I can't stop loving you, I've made up my mind (made up my mind)

To live in memory of old lonesome times (old lonesome times)

I can't stop wanting you, it's useless to say (it's useless to say)

So, I'll just live my life in dreams of yesterday (of yesterday)

Those happy hours that we once knew

Though long ago, still make me blue (make me blue)

They say that time heals a broken heart

But time has stood still (time has stood still) since we've been apart (living apart)

I can't stop loving you, there's no use to try (no use to try)

Pretend there's someone new, I can't live a lie (can't live a lie)

I can't stop wanting you, the way that I do (the way that I do)

There's only been one love for me, that one love is you

(I can't stop loving you) That one love is you

(I can't stop loving you)
