(Ahh...) Oh, I love you the way you are
(Ahh...) Oh, I love you the way you are

Always be faithful to me
And near each night to hold so tight
'Cause I love you,
Love you the way you are
(I love you the way you are)

Whoa-oh-oh-oh-oh-oh
Never lose the charms you possess,
Your loveliness, the way you caress
'Cause I love you,
Love you the way you are
(Love you the way you are)

Don't have to change your color of hair
The clothes you wear may all become you so

And don't listen to what friends may say
I will love you 'til my dyin' day

Whoa-oh-oh-oh-oh-oh
You're my girl, you ought to know
When we kiss, I'm all aglow
'Cause I love you,
Love you the way you are
(Love you the way you are)

Whoa-oh-oh-oh-oh-oh
You're my girl, you ought to know
When we kiss, I'm all aglow
'Cause I love you,
Love you the way you (are)

Oh, I love you the way you are
(Oh) Oh, I love you the way you are
