Just as much as ever  
I need you and want you to be here  
Just as much as ever  
I love you, and always will, my dear

Even though we two are parted  
My feelings for you never drop  
For loving you is something I started  
And don't know how to stop

Just as much as ever  
I'm hoping that you'll be mine again  
Darlin', 'cause I'll never  
Be satisfied till then

For I am still the same old me  
With the same old love for you  
Just as much as ever  
My heart beats for you

Just as much as ever  
I'm hoping that you'll be mine again  
Darling, 'cause I'll never  
Be satisfied till then

For I am still the same old me  
With the same old love for you  
Just as much as ever  
My heart beats for you
