(Let's kiss and make up
Why should we break up?)

Last night, we had a quarrel
And I lost my head
How silly of me to say
The things I said

CHORUS:

Let's kiss and make up
Why should we break up?
Say it's not too late yet
To forgive and forget
Funny but it doesn't matter now
Who was wrong or right
Darling, all that matters now
Is that I miss you tonight
(I miss you tonight)

CHORUS

(To forgive and forget)

'Cause I'd do anything
To be with you again

CHORUS
