I'm looking for a place to go
So I can be all alone
From thoughts and memories

So that when the music plays
I don't go back to the days
When love was you and me

[CHORUS]

Oh, oh, moja droga jacie Kocham
Means that I love you so
Moja droga jacie Kocham
More than you'll ever know
Kocham ciebie calem serce
Love you with all my heart
Return to me and always be
My melody of love

Wish I had a place to hide
All my sorrow, all my pride
I just can't get along

'Cause the love once so fine
Keeps on hurting all the time
Where did I go wrong

[Repeat CHORUS]

Oh, oh
La la la la la la la la
My melody of love
La la la la la la la la
My melody of love

La la la la la la la la
My melody of love...
