Only love can break a heart  
Only love can mend it again

Last night I hurt you  
But, darling, remember this  
Only love can break a heart  
Only love can mend it again

You know I'm sorry  
I'll prove it with just one kiss  
Only love can break a heart  
Only love can mend it again

Give me a chance to make up  
For the harm I've done  
Try to forgive me and  
Let's keep the two of us one

Please let me hold you and  
Love you for always and always  
Only love can break a heart  
Only love can mend it again

Only love can break a heart  
Only love can mend it again
