Over the mountain, across the sea,  
There's a girl, she's waiting for me

Cross over the river, beyond ev'ry cloud  
She's past the winds that's blowing loud  
Over the mountain, a girl waits for me

Tell all the sands and ev'ry blade of grass  
Please tell the winds to let my love pass  
Over the mountain, a girl waits for me  
Tell the moon up in the sky  
Tell the birds that fly by  
That over and over and over the mountain,  
My love waits for me

Into each dark and starry night,  
Oh, what a myst'ry that's sealed so tight  
Over the mountain, a girl waits for me

Wah, wah-ooh, wah-ooh  
(repeat and fade out)
