(Rain, rain, go away)

I can still remember
When you moved in next door
I brought you some choc'late
From the corner candy store
When it started raining
You started crying too
That was the first time
I sang this song to you

Rain, rain, go away
Come again some other day
Rain, rain, go away
Bring my love a sunny day

We grew up together
And as the years went by,
Ev'rybody knew that we were
Sweethearts, you and I
Through many April showers,
I held your hand in mine

Between the raindrops,
We sang time after time

Rain, rain, go away
Come again some other day
Rain, rain, go away
Bring my love a sunny day

I went away to college
You said you'd wait for me
Then I got your letter
Asking me to set you free
Tomorrow, you'll be married
There's nothing I can do
But wish you sunshine
Now and your whole life through

Rain, rain, go away
Tomorrow is her wedding day

Rain, rain, go away
Bring my love a sunny day
(Rain, go away)
