Though it hurts to go away  
It's impossible to stay  
But there's one thing  
I must say before I go

I love you (I love you)  
You know I'll be thinking of you  
In most everything I do

Now the time is moving on  
And I really should be gone  
But you keep me hanging on  
For one more smile

I love you (I love you) all the while  
With your cute little wave  
Will you promise that you'll save

[CHORUS]

Your kisses for me  
Save all your kisses for me  
Bye bye, baby, bye bye  
Don't cry, honey, don't cry  
Gonna walk out the door  
But I'll soon be back for more

Kisses for me  
Save all your kisses for me  
So long, honey, so long  
Hang on, baby, hang on  
Don't you dare me to stay  
'Cause you know I'll have to say

That I've got to work each day  
And that's why I go away  
But I count the seconds  
Till I'm home with you

I love you (I love you) it's true  
You're so cute, honey, gee  
Won't you save them up for me

[Repeat CHORUS]

Kisses for me  
Save all your kisses for me  
So long, honey, so long  
Hang on, baby, hang on  
Won't you save them for me  
Even though you're only three

Kisses for me  
Save all your kisses for me  
Bye bye, baby, bye, bye  
Don't cry, honey, don't cry  
Won't you save them for me  
Even though you're only three

Kisses for me  
Save all your kisses for me  
Bye bye, honey, so long
