Speak softly, love, and hold me warm against your
heart
I feel your words, the tender, trembling moments start
We're in a world our very own,
Sharing a love that only few have ever known

Wine-colored days warmed by the sun
Deep velvet nights when we are one

Speak softly, love, so no one hears us but the sky
The vows of love we make will live until we die
My life is yours and all because
You came into my world with love so softly, love

INSTRUMENTAL BRIDGE

Wine-colored days warmed by the sun
Deep velvet nights when we are one

Speak softly, love, so no one hears us but the sky
The vows of love we make will live until we die
My life is yours and all because
You came into my world with love so softly, love

(Softly love, so softly, love)
(repeat and fade out)
