(Lonely girl, lonely girl)

Lonely girl in silk and satin
Love has never known you

Lonely girl all dressed in sadness
Love will never own you

For you're afraid to stop, look, and surrender
You're afraid of love, torrid or tender
Once, I dreamed we'd share moments of splendor
Wish that I could have shown you

(Lonely girl, lonely girl)

Lonely girl in silk and satin
Wish that I had known you
(Wish I had known you)

Lonely girl
(Wish I had known you)
Lonely girl
(Wish I had known you)
Wish I had known you
Wish I had known you
Lonely girl
