I love you, there's nothing to hide  
It's better than burning inside  
I love you, no use to pretend  
There! I've said it again

I've said it, what more can I say?  
Believe me, there's no other way  
I love you, I will 'til the end  
There! I've said it again

I've tried to drum up  
A phrase that would sum up  
All that I feel for you  
But what good are phrases?

The thought that amazes  
Is you love me  
And it's heavenly

Forgive me for wanting you so  
But one thing I want you to know  
I've loved you since heaven knows when  
There! I've said it again

Forgive me for wanting you so  
But one thing I want you to know  
I've loved you since heaven knows when  
There! I've said it again
