Once upon a time, there was a tavern,
Where we used to raise a glass or two
Remember how we laughed away the hours
And dreamed of all the great things we would do

Then, the busy years went rushing by us
We lost our starry notions on the way
If, by chance, I'd see you in the tavern,
We'd smile at one another and we'd say

Those were the days, my friend
We thought they'd never end
We'd sing and dance forever and a day
We'd live the life we'd choose
We'd fight, we'd never lose
For we were young and sure to have our way

Di di di di di di
Di di di di di di
Those were the days, oh yes, those were the days

Just tonight, I stood before the tavern
Nothing seemed the way it used to be
In the glass, I saw a strange reflection
Was that lonely fella really me?

Those were the days, my friend
We thought they'd never end
We'd sing and dance forever and a day
We'd live the life we'd choose
We'd fight and never lose
For we were young and sure to have our way

Di di di di di di
Di di di di di di
Those were the days, oh yes, those were the days

Through the door, there came familiar laughter
I saw your face and heard you call my name
Oh, my friend, we're older but no wiser
For in our hearts, the dreams are still the same

Those were the days, my friend
We thought they'd never end
We'd sing and dance forever and a day
We'd live the life we'd choose
We'd fight and never lose
For we were young and sure to have our way

Di di di di di di
Di di di di di di
Di di di di di di di di di di
Di di di di di di
Di di di di di di
Di di di di di di di di di di
(repeat and fade out)
