Hello little girl, goodbye little girl
I'm not your kind of guy, little girl
I'll only make you cry, little girl

Trouble
(Trouble, trouble, trouble, trouble)
Is my middle name

Each kiss little girl, is sweet little girl
They sweep me off my feet, little girl
But no more must our lips meet, little girl

Trouble
(Trouble, trouble, trouble, trouble)
Is my middle name

I'm just a born wanderer, driftin' by one day
Each place that I've been, heartbreak moved in
So I'll move on my way

In time little girl, you'll find little girl
I've been really kind, little girl
Not changing your name to mine, little girl

Trouble
(Trouble, trouble, trouble, trouble)
Is my middle name

Not changing your name to mine, little girl

Trouble
(Trouble, trouble, trouble, trouble)
Is my middle name

Oh, trouble
(Trouble, trouble, trouble, trouble)
Is my middle name

Yes, trouble
(Trouble, trouble, trouble, trouble)
Is my middle name
