Whenever we kiss,  
I worry and wonder  
Your lips may be near  
But where is your heart?

It's always like this  
I worry and wonder  
You're close to me here  
But where is your heart?

It's a sad thing to realize  
That you've a heart that never melts  
When we kiss, do you close your eyes,  
Pretending that I'm someone else?

You must break the spell,  
This cloud that I'm under  
So please, won't you tell?  
Darling, where is your heart?

### INSTRUMENTAL BRIDGE

It's a sad thing to realize  
That you've a heart that never melts  
When we kiss, do you close your eyes,  
Pretending that I'm someone else?

You must break the spell,  
This cloud that I'm under  
So please, won't you tell?  
Darling, where is your heart?

So please, won't you tell?  
Darling, where is your heart?
