When shadows descend  
And I see now end  
When my hope is gone  
And I don't belong  
Somewhere in my mind  
I reach out  
The river of light

If I close my eyes  
A river of light  
Flows down through my heart  
And shines in the dark  
The music begins  
I hear violins  
The orchestra plays it's amazing  
It carries me away

The stars are on fire  
And heavenly choirs  
Sing out from above  
My heart fills with love  
The world is a song  
The magic is strong  
The melody swirls  
And it swirls as it carries me along

Round round round  
Spin me faster  
Ever faster  
Cross the floor  
As we dance the dance that I adore  
Round round round  
Ever flowing  
Ever growing  
Can you feel it too?  
It's The River of light inside of you

I see you in dreams  
Of shimmering streams  
We dance until dawn  
'Til a new day is born  
As we leave the floor

The world's as before  
The moment is gone  
But the song carries on for ever more  
And the song carries on for ever more
