With these chains
I'd walk a thousand miles a day for you alone
I breathe in, I breathe in, I breathe in

Breathe, breathe, breathe, come on and breathe
Will this be the last time we make love?
Come clean for, now

With my masters' chains,
I'd make sure all your actions are repaid
Open up the gates, open 'em up
Come clean for me now, come clean for me

Break up, what happens to me now
Sweet love, you can't go away
Break up, what happens to me

No I don't know what to do with you

You can't go away

You can't go away

Sweet love

You are, you are

The complete

You are

The complaint

So sweet

Love

I'm so sorry, I'm so sorry, I'm sorry

Break up, what happens to me now
Sweet love, you can't go away

Break up, what happens to me now
Sweet love, you can't go away
