i was broke as a joke  
and my rhyme was sucked  
i had to cop a few bucks  
just to shine me up  
now critics starstruck to iron me up  
a few years ago  
a friend of mine told me these little crystals will blow  
your mind  
and blow they did right thru his head  
spent the next couple of years eating soup and bread  
see mama didnt raise no stupid kid  
if i wanna lose it i use music instead  
i aint gotta prove shit hip hop is in my veins  
and i roll with a click thas as  
swift as my name KID DEFT

up lift me  
as long as i got my music with me  
i cant stop rhyiming and stop criming  
and i cant stop til i got  
this whole nation miming  
lets go (are you ready)

when were rocking to hearney headed  
coz we aint lock bluster
