Well I don't wanna be President  
Superman or Clark Kent  
I don't wanna walk 'round in their shoes

'Cause I don't know who's side I'm on  
I don't know my right from wrong  
I don't know where I'm going to  
I don't know about you

I'll be the rain falling on your fire escape  
And I may not be the man you want me to  
I can be myself, how 'bout you?

I don't wanna make you mad  
I don't wanna meet your dad  
I don't wanna be your dream come true

'Cause I don't know just what I've found  
I don't know my sky from ground  
I don't know where I'm going to  
I don't know about you

I'll be the rain falling on your fire escape  
And I may not be the man you want me to  
I can be myself, how 'bout you

I'll be the rain falling on your fire escape  
And I may not be the man you want me to  
I can be myself, how 'bout you?  
I can be myself, how 'bout you?  
I can be myself  
How 'bout you?
