Late at night
There you are
Coffee lipstick
Casual Jones
All the way
To Memphis and back
I search for you baby
I search for you girl
Get the feelin'
When you're with me
You don't care
Your so addictive
The way you kiss
The way you kiss yeah
It's high low, I'm still reelin'
You're a heart break, but I don't mind
High low, I'll get to ya babe
It's just a matter of time
It's just a matter of time
It's all right
I lean on your door
I wait for you Sunday
You never come home
I get the feelin'
When I'm with ya
You don't care
It's so addictive
The way you kiss me, yeah
It's high low, here come the mornin'
Like an angel, save me from the night
Your loves a cold barb wire
But I'll be alright
I'm gonna be alright
High low, I'm still reelin'
You're a heartbreaker, I don't mind
High low, I'll get to ya babe
It's just a matter of time
High low, here come the mornin'
Like an angel, save me from the night
Your love cold barb wire
Baby I don't mind

Oh no, it's just a matter of time
It's just a matter of time
It's just a matter of time
