Sometimes I feel
Like I am drunk behind the wheel
The wheel of possibility however it may roll
Give it a spin
See if it can somehow factor in
You know there's always
More than one way to say exactly
What you mean to say

Chorus
Was I out of my head
Or was I out of my mind
How could have ever been so blind?
I was waiting for an indication it was hard to find
Don't matter what I say only what I do
I never mean to do bad things to you
So quiet but I finally woke up
If you're sad then it's time you spoke up, too
Was I out of my head
Or was I out of my mind
How could I have ever been so blind?
I was waiting for an indication
It was hard to find
Don't matter what I say only what I do
I never mean to do bad things to you
So quiet but I finally woke up
If you're sad then it's time you spoke up, too

Was I out of my head
Or was I out of my mind
How could I have ever been so blind?
I was waiting for an invitation
It was hard to find
Don't matter what I say only what I do
I never mean to do bad things to you
So quiet but I finally woke up
If you're sad then it's time you spoke up, too
