Sometimes I feel like I am drunk behind the wheel  
The wheel of possibility, however it may roll  
Give it a spin

See if you can somehow factor in  
You know there's always more than one way  
To say exactly what you mean to say

Was I out of my head? Was I out of my mind?  
How could I have ever been so blind?  
I was waiting for an indication  
It was hard to find

Don't matter what I say only what I do  
I never mean to do bad things to you  
So quiet, but I finally woke up  
If you're sad, then it's time you spoke up too

Was I out of my head? Was I out of my mind?  
How could I have ever been so blind?  
I was waiting for an indication  
It was hard to find

Don't matter what I say only what I do  
I never mean to do bad things to you  
So quiet but I finally woke up  
If you're sad, then it's time you spoke up too

Was I out of my head? Was I out of my mind?  
How could I have ever been so blind?  
I was waiting for an invitation  
It was hard to find

Don't matter what I say only what I do  
I never mean to do bad things to you  
So quiet, but I finally woke up  
If you're sad, then it's time you spoke up too
