Funny how I couldn't see
This is not at all about you, it's about me
Everything has happened the way it was meant to be
Here's an opportunity for us to find
A way for me to tell you what's been on my mind
Please forgive me, I don't mean to seem unkind
But you wind me up, so wind me up again
I feel the tug of war, it only seems to happen
When we open love's door
Everything is back to the way it was before
Can you tell the difference or is it the same
Does it really count if we don't give it a name
Please forgive me, I don't mean to seem insane
But you wind me up, better wind me up again
Funny, but I thought you knew
All those things you think about I think about too
Gotta separate the unreal from what is true
Here's an opportunity for us to find
A way for me to tell you what's been on my mind
Please forgive me, I don't mean to seem unkind
But you wind me up, so wind me up again
(french lyrics)

Quand le vin est tiré, il faut le boire / when the wine is
opened, you
Must drink it
Oh non, ce n'est pas grand chose / oh no, it's nothing
Ce n'est qu'un emploi provisoire / it's only a temporary
job
Oui, je comprends / yes, I understand
Il a nié mordicus / he denied everything
Il trompe sa femme / he cheats on his wife
C'est du toc / it's all fake
C'était très visible / it was obvious
Mais j'ai entendu / but I heard
J'étais terriblement gêné / I was terribly
embarrassed
C'est un cercle vicieux / it's a vicious circle
Il a pris la poudre d'escampette / he ran away
J'ai un maillot de bain à une pièce / I have a one-piece
swim suit
Quand le vin est tiré, il faut le boire

Oh non, ce n'est pas grand chose
Ce n'est qu'un emploi provisoire
Oui, je comprends
Il a nie mordicus
Il trompe sa femme
C'est du toc
C'était tres visible
Mais j'ai entendu
J'étais terriblement genee
C'est un cercle vicieux
Il a pris la poudre d'escampette
J'ai un maillot de bain a une piece...
