This could be  
The floor stomper that gets her to move  
Just a little closer  
She's my modern day Aphrodite  
And I'm wanting more than her body  
(Than her body)  
It's more than space that's keeping us apart  
And this romance is never going to start  
Woah, Woah, Woah, Woah

No no, never gonna get her  
Oh no, what's the use of trying?  
Because we're not getting closer at all  
Just for tonight, let me be the boy you sing about  
But you don't know my name

My hopes and dreams, are a part of this night life  
And on this midnight, yeah  
The music makes me want her more  
And I'm set for being lonely in the back seat  
Because you know you know it's going down  
Woah, Woah, Woah, Woah

No no, I'm never gonna get her  
Oh no, what's the use of trying?  
Because we're not getting closer at all  
Just for tonight, let me be the boy you sing about  
But you don't know my name

Woah, Woah, Woah, Woah  
(Woah, Woah, Woah, Woah)  
Tonight (Tonight) it's going down  
Woah, Woah, Woah, Woah  
(Woah, Woah, Woah, Woah)  
Tonight (Tonight) it's going down

No no, I'm never gonna get her  
Oh no, what's the use of trying?  
Because we're not getting closer at all  
Just for tonight, let me be the boy you sing about  
But you don't know my name

No no, I'm never gonna get her  
Oh no, what's the use of trying?  
Because we're not getting closer at all  
Just for tonight, let me be the boy you sing about  
But you don't know my name
