"Nonstop to Nowhere" as recorded by
Faster Pussycat
CHORUS 1:
I'm on the lame train
I got a first-class ticket on the nonstop to nowhere
Where it takes me I don't know
I guess the tracks you make are your own
Well it's 5 o'clock in the morning And I can't fall asleep
again
Times are changing and moving fast Way too fast for
me
Seems like only yesterday I was skipping school and
stealing gasoline
I've been talking I guess you call it Talking a white lie
One minute I'm on top of the world And the next thing
you know
CHORUS 1:
Sometimes I just sit and daydream And I just slip away
from here
If only I had a crystal ball Or could invent a time
machine
I'd go into the future Take a good look around
And see what life has in store for me
I've been walking I guess you call it Walking a thin line
One minute I'm on top of the world And the next thing
you know
CHORUS 2:
I'm on the lame train
I got a first-class ticket on the nonstop to nowhere
Where it takes me I don't know
I guess the track
s you make are your own
It's like a chain gang going I know the exit
But my problems seem to follow me
Wherever I go Nonstop to nowhere
I don't believe the preachers They're just sticking out
their hands
I don't believe the government And who the hell's this
Uncle Sam?
Mr. Conductor Will you help me off this train?
Well I believe I'm on the wrong one and it's taking me

down the drain
CHORUS 2:
