You keep saying you got something for me
Something you call love but confess
You've been a'messin' where you shouldn't 've been
a'messin'
And now someone else is getting all your best
Well, these boots are made for walking, and that's just
what they'll do
One of these days these boots are gonna walk all over
you

You keep lyin' when you oughta be truthin'
You keep losing when you oughta not bet
You keep samin' when you oughta be a'changin'
What's right is right but you ain't been right yet
These boots are made for walking, and that's just what
they'll do
One of these days these boots are gonna walk all over
you

[Guitar]

You keep playing where you shouldn't be playing
And you keep thinking that you'll never get burned
Well, I've just found me a brand new box of matches
And what she knows you ain't had time to learn
These boots were made for walking, and that's just
what they'll do
One of these days these boots are gonna walk all over
you

Get ready, boots!
Start WAAAAAAAAAAAA! alright now!
THEY'RE MADE FOR WALKING AND THAT'S WHAT
THEY'LL DO!
