Nobody knows how to tie the simple knots that I know  
Getting weak in the knees and your bruises are  
beginning to show  
The only way she knows how to take it is blow by blow  
Strapped to the rack with a slap on the ass should  
make her eyes  
glow  
I ain't no boy of bondage, you can use it, you can use it  
I'm a loose lip talkin jockey with a whip & track to prove  
it  
I'm the dehumanizing master  
You better start your talking, cause I get what I go after  
Where, where there's a whip, there's a way  
Where, where there's a whip, there's a way  
The devil in she likes the sweet beatin dreams  
everyday  
Where, where there's a whip, there's a way  
When it's time to leave the baby I'll let you know  
I've got you buckled to the floorboards  
Got you screamin like a pooch on a leash to let you go  
She grinds her leather like Liberace rhines a stone  
She rides just like a pony gonna sign that filly up for the  
rodeo  
I ain't no boy of bondage, you can use it, you can use it  
I'm a loose lip talkin jockey with a whip & track to prove  
it  
I'm the dehumanizing master

You better start your talking, cause I get what I go after  
Where, where there's a whip, there's a way
