You walked right into the party like you were walking
onto a yacht
Your thong strategically hiked above one thigh
Your stomach was apricot
You had one eye in the mirror, you think you were so
damned hot
And all the boys think that they'd be your partner
They'd be your partner, and...

You're so vain, you probably think this song is about
you
You're so vain, I'll bet you think this song is about you
Don't you? Don't You?

You had me several years ago when I was still quite
naive
Well you said that we made such a pretty pair
And that you would never leave
But you gave away the things you loved and one of
them was me
I had some dreams, they were clouds in my coffee
Clouds in my coffee, and...

You're so vain, you probably think this song is about
you
You're so vain, I'll bet you think this song is about you
Don't you? Don't You? Don't You?

I had some dreams they were clouds in my coffee
Clouds in my coffee, and...

You're so vain, you probably think this song is about
you
You're so vain, I'll bet you think this song is about you
Don't you? Don't You?

Well I hear you went up to Saratoga and your horse
naturally won
Then you jumped into your jet and flew to Nova Scotia
To see the total eclipse of the sun
Well you're where you should be all the time
And when you're not you're with

Some underworld spy or somebody's boyfriend
Somebody's boyfriend, and...

You're so vain, you probably think this song is about
you
You're so vain, I'll bet you think this song is about you
Don't you? Don't You? Don't you?

You're so vain, you probably think this song is about
you
You're so vain, you probably think this song is about
you
