\*\* You're sayin' that it's over, baby  
You're sayin' that it's over now  
But still you hang around  
Now come on, won't you move over  
You know that I need a woman  
You know that I need a woman  
But when I ask you to you just tell me

Let me be, okay

\*Please don't you do it to me, babe  
Please don't you do it to me, babe  
Take this love I offer  
Honey, let me be  
I ain't...for walkin'  
I ain't...for walkin'  
Hold on to your life  
Honey, let me be  
Make up your mind  
You're playin' with fools, yeah  
Make up your mind  
You're playin' with fools  
Now don't you know  
I'll be your lovin' man  
Honey, let them be, let them be  
I said

(\* Repeat)

(\*\* Repeat)

Won't you move over, move over  
I said woman, won't you move me  
Move, move me now  
Like you did before now now  
Just a, just a, just just a little bit  
Just a, just a, like you did before

Won't you move me, move, move me now  
Won't you move me, move, move me now  
Like you did, like you did before .....
