What do you want
What do you want from us
Flame and fire
Or a little worse
I can give you so much more
The French scene, you can do it all

*Take your ticket
Rock it to the moon
One day it's all gonna be just cool
This is what we're gonna do

** Rock on, rock on
Gonna rock, rock on till we drop
Rock on, rock on
Gonna rock, rock, can't get enough
Rock on, rock on
Gonna take you high, gonna drive you wild
Rock on, rock on

Gonna rock, gonna bop
Till the U.S.A. goes crazy

Standing
I'm gonna take my chance
I'm a man of no demands
Something like a mystery
Everyone wants to be set free

(* Repeat)
(** Repeat)

Gonna rock, gonna bop
Till the U.S.A. goes crazy, crazy

I want you, you all
I want you to rock on, oh
Chum you from inside
I want you to rock on
Rock on, rock on, rock on, yeah

(** Repeat 2 times)

Gonna rock, gonna bop
Till the U.S.A.
Gonna rock, gonna bop
Till the U.S.A.
Gonna rock, gonna bop
Till the U.S.A. goes crazy
