I feel Iâ'm rising  
Rising through the air  
I feel Iâ'm falling  
Falling down from the sky  
I feel Iâ'm tripping  
Tripping on a wire  
I feel Iâ'm moving  
Moving through the fields

And the rain keeps on falling down  
But the sun is still shining  
And I feel that Iâ'm rising rising  
Rising from the dead  
Rising from the dead

I feel Iâ'm falling

Falling down from the sky  
I feel Iâ'm tripping  
Tripping on a wire  
I feel Iâ'm sleeping  
Sleeping like the day  
I feel Iâ'm moving  
Moving through the fields

And the rain keeps on falling down  
But the sun is still shining  
And I feel that Iâ'm rising rising  
Rising from the dead  
Rising from the dead
