I, i gotta breakaway,
coz noone out theres listenes to a single word i say
I, i gotta breakaway,
coz noone out theres listenes to a single word i say
I, i gotta get away,
im living the same old shit each and every damn day
I, i gotta get away,
im living the same old shit each and every damn day

im on fire
and i gotta break out
im on fire
and i gotta break out

break out
break out
break out

ive had enough of this gotta break thru

I, i gotta breakaway,
coz noone out theres listenes to a single word i say
I, i gotta breakaway,
coz noone out theres listenes to a single word i say
I, i gotta get away,
im living the same old shit each and every damn day
I, i gotta get away,
im living the same old shit each and every damn day

im on fire
and i gotta break out
im on fire
and i gotta break out..
im on fire
and your freaking me out

break out (im on fire)
break out (breakout)
break out

Ive had enough of this gotta break thru

Gonna leave all this trouble,
living life on the double.
and my minds going mad,
with emotional muddle
cant see, cant think
all trapped in a bubble
all i want is to..
break out
break out
break out
break out

and your creeping me out

Ive had enough of this gotta break thru
