I don't need no tv, I don't need no news
All I need is a bumpin beat to bump away my blues

I don't give a damn what the people say
I'm gonna do it, gonna do it my way
Gonna let it all out an do my thing
Boom boom boom an a bang bang bang
Ooh-

Do your thing
Do your thing, make my body sing
Do your thing, your thing, my thing, oh oh oh oh

Say shut your mouth you're in a fatal tiz
Free the mayhem in your mind, release the need inside
of you
You're gonna suffer, coz the crowds so loud

Do your thing, do you
Boom boom boom an a
Ooh-Do your thing
Do your thing, make
Do your thing, your
Give me ying-yang
Kick it like a tin can
Do your thing, make
Do do do
