Yea, what's happenin'? bone thugs~n~harmony  
Fat joe, terror squad, mo' thugs,  
The good times nigga, we on top of the world

Chorus (2x):

Good times, good times [we can have a good time..  
We havin' a big celebration]

We could take some stress off our chest

Yo, check my philosophy - happiness ain't all about  
monopoly  
I put aside the guns & robberies, see good guys  
copyin' me  
The good times is here, rainy days is clear  
You wanna go where everybody knows your name like  
"cheers"  
Where problems is all the same and we got stories to  
share  
Where you don't have to look for joy in a bottle of beer  
See what I'm sayin? stop feelin' sorry for yourself  
Besides, those shots of jack heed's bad for your health  
Understand tough people last, tough times don't  
Some get up off they ass, and nigga, some just won't  
Take the bad with the good, 'cause the good ain't far  
This is the stuff dreams are made of - shoot for the  
stars  
The good times

Chorus (2x):

Good times, good times  
[we can have a good time..we havin' a big celebration]

We could take some stress off our chest

Big celebration, we havin' a big celebration  
We havin' a big celebration  
Celebration [bration], celebration,  
Big celebration, we havin a celebration
