Do that diddly ding dang hillybilly
Dancin in the barn
Hey Diddle Diddle, Little Billy Played The Fiddle
At the hoedown on the farm.
Do that diddly ding dang hillybilly
Dancin in the barn
Hey Diddle Diddle, Little Billy Played The Fiddle
At the hoedown on the farm

A horse and a sheep and the cows in the field
And the girl in the gingham dress
A rooster and a hen and the pigs in the pen
And everyone else I guess

Oh Oh, Ee I Ee I Oh
Oh Oh, Ee I Ee I Oh
Let's Do It

Do that diddly ding dang hillybilly
Dancin in the barn
Hey Diddle Diddle, Little Billy Played The Fiddle
At the hoedown on the farm.
Do that diddly ding dang hillybilly
Dancin in the barn
Hey Diddle Diddle, Little Billy Played The Fiddle
At the hoedown on the farm

We lost Mary Joe to the hay in the barn
And we couldn't find billy boy
But when she came back with a smile on her face

Everybody jumped for joy

Oh Oh, Ee I Ee I Oh
Oh Oh, Ee I Ee I Oh
Let's Do It

Do that diddly ding dang hillybilly
Dancin in the barn
Hey Diddle Diddle, Little Billy Played The Fiddle
At the hoedown on the farm.
Do that diddly ding dang hillybilly

Dancin in the barn
Hey Diddle Diddle, Little Billy Played The Fiddle
At the hoedown on the farm.

Both Hands in the air
And Turn Around
Slap your Thigh
And Touch the ground
Clap your hands
And kick Â'em high
LetÂ's hoedown on the farm

Do that diddly ding dang hillybilly
Dancin in the barn
Hey Diddle Diddle, Little Billy Played The Fiddle
At the hoedown on the farm.
Do that diddly ding dang hillybilly
Dancin in the barn
Hey Diddle Diddle, Little Billy Played The Fiddle
At the hoedown on the farm
