There's something natural in the way you touch me
(Yeah)

It's a feeling that I can't describe
(Yeah)

There's something mystic in the soul connection
(Yeah)

There's something magic in your misty eyes
(Yeah)

Don't you say that it's all the same
(Yeah)

Don't you say that it's all the same,
No.

'Cause there's something that I can't explain
'bout this

Something that I can't explain,
Yeah.

I can't explain
oh no
hey
yeah

Before the night is over
I want to shake the question
I want to leave it for now
Without another mention

We should be letting go
Instead of holding on
But then the eye in my mind
A mystery is born

No use in looking further
You know it isn't there
And you can stare all you want
The answers won't appear.

Try to find it but I lose myself

I lose myself in you.
I said I lose myself in you.

Yes I lose myself in you.
Yeah I lose myself in you.

(Instrumental break down)

Breathe easy lovers,
Breathe easy lovers,
Breathe easy lovers,
Breathe easy lovers,
Breathe easy lovers,
Breathe easy lovers,

I know you're only wasting time.
(Breathe easy)
Questioning between the lines.
(Breathe easy)
The feeling knows no name,
It is what it is
And there's no explaining:
What it is what it is
Yeaah yeah yeah.

There's something natural in the way you touch me
(Yeah)
It's a feeling that I can't describe
(Yeah)
There's something mystic in the soul connection
(Yeah)
There's something magic in your misty eyes
(Yeah)
Don't you say that it's all the same
(Yeah)
Don't you say that it's all the same,
No.
'Cause there's something that I can't explain
'bout this
Something that I can't explain,
Yeah.
