{Na-na-na-na-na}
Who you gonna trust, yeah
{Whoa }
You could trust me, ha-ha-ha (Uh)

I don't care about nothin' else, my baby
(To all the ladies in our lives, you heard) {Baby, I
Don't care}
All I care is bout being here for you
(Strong independent women, come on, uh) {Oh }
And I won't stare at nobody else, my baby {Promise I
Won't stare}
'Cause all I need is you {All I need, all I need
Baby}

Yeah, uh
What you think gangstas don't cry, get hurt by lies
Times you embarrass me, I swallow my pride
I'm tired of tellin' you I got nothin' to hide
I'm in the studio at night, you think I'm out with the
Guys
Every time I speak to you, you got somethin' to say
Accordin' to you I must be crushin' all day
All I'm askin you for is to be more trustin'
I'm outta town all the time and don't accuse you of
Nothin'
Picture me creepin' with a chick on tour
When you love my sons as if they was yours
I know at times you feel alone 'cause I'm not home
That's why every few hours I pick up the phone
And reassure you my love is more than a scene
I adore you my wife, my Colombian queen
I promise to never stray, I'm honored every day
To have a woman like you in the life of Jose, hey

I don't care about nothin' else, my baby {Baby, I
Don't care}
All I care is bout being here for you {Oh }
And I won't stare at nobody else, my baby {Promise I
Won't stare}
'Cause all I need is you {All I need, all I need
Baby}

Yeah, how I'm supposed to start this
First and first you my queen goddess
My moon, my earth, the wisdom to a n****'s
knowledge
I swear to God, it amazes me how you stay in college
And still manage to raise my baby boy when I'm gone
And
Tourin', makin' dollars, assumin' that I love you, but
Regardless
I feel it's time I showed you, bless you with this
Ring
Now that's somethin' to hold you down till a n****
Come back
Me and my lady got history, she's worth it
Deserves more then this cold world is givin' me to
Share with her word
And I don't care about nothin' else except my girl {My
Girl}
Not myself, no one else, just my girl {My girl}
You bring life to my world, you give me strength to go
On
And face life even when it seems all hope's gone
Labeled my wife, but you truly exceed the title
You my future, my happiness, my heart, my idol
I promise, girl, that

I don't care about nothin' else, my baby {Baby, I
Don't care}
All I care is bout being here for you {Oh }
And I won't stare at nobody else, my baby {Oh }
'Cause all I need is you {I promise I won't stare}
(Ha-ha)
'Cause all I need is you
(This is goin' out to you, you, you and you) {All I
Need, all I need, baby}
'Cause all I need is you {Oh oh }

Yeah, uh
To all the ladies out there if you love your man
You need to hold your man, embrace your man
And just grab his hand, repeat after me
?I promise to stay true and give you all of me?
Whether he's locked down or on the grind
Or whether he's out of work or at work on time
You need to trust that man and respect that man
And you get what you feel you deserve from that man
And

'Cause I need somebody who will stand by me
Through the good times and bad times who will always

Always be my girl

I don't care about nothin' else, my baby {Baby, I
Don't care}
All I care is bout being here for you {Oh }
And I won't stare at nobody else, my baby {Promise I
Won't stare}
'Cause all I need is you {All I need, all I need
Baby}

I don't care about nothin' else, my baby {Oh }
All I care is bout being here for you
And I won't stare at nobody else, my baby {Baby, I
Don't care}
'Cause all I need is you {Oh }
'Cause all I need is you {Promise I won't stare}
'Cause all I need is you {All I need, all I need
Baby}
'Cause all I need is you
