FAT JOE:

Is this what it's about baby?  
(ohh)  
Fuck in the champagne lets  
Toast to the cocaine  
Put me in the g4 plane  
Now we in g5 to go with these eyes  
Rolling a 1000 niggers deep  
You use to love it  
Now it's about just you and me  
Bitch you bluffing  
I aint playing  
I'm just saying  
Let a nigger live  
I was fucking them hoes  
I put you where I live

(Oooo)

FAT JOE:

You had the keys to the panorama  
Always tryna blame me  
You need to blame the mirror  
I blame myself for fucking with you girl but  
Couldn't help but love the way the Spanish fit you  
girl  
All that ass, slim waist  
Nice walk, cute face, sick taste  
Bell Harvard gone miss you boo  
And the condo security guards they gonna miss you  
too

CHORUS: [ARLAND]

Let's take a trip, let's take a trip, let's take a  
trip aroooooound the world  
Oooh (2X)

FAT JOE:

Got killers on the private  
No need for public defenders  
When you get the kind of G's that I get

Watch the sunset from up above  
I swear to God I seen a trials fall from up above  
Letâ€™s take a trip somewhere special where  
thereâ€™s water  
Then weâ€™ll take a dip  
You can order you some diamonds with a side of grits  
Sip mimosa; get fucked to sounds of Vandross, Luther  
You know listening might lose ya  
Donâ€™t diss him, he might shoot ya  
Paradise is just step away  
Look in my eyes I take your breath away

CHORUS: [ARLAND]

Letâ€™s take a trip, letâ€™s take a trip, letâ€™s take a  
trip aroooooound the world  
Ohhhh(2x)

ARLAND:

You donâ€™t have to run no further baby  
â€™Cause lâ€™ma keeps on doing my thing,  
Yeaaaa  
Ohhhhhhh

CHORUS: [ARLAND]

Oooooooooo  
Lets take a trip, lets take a trip, lets take a trip  
aroooooound the world  
Ohhh(2x)

All around the world we go  
London & Tokyo;  
Where ever this long journey takes us weâ€™ll gooo  
If you donâ€™t, then I donâ€™t care  
â€™Cause lâ€™m gone fuck  
Every bitch around the world
