When I met you  
You were sexy  
You were freaky  
I thought my luck was in  
Then I noticed,  
You were crazy  
I did not know what to do  
Cos I thought it was love

Crazy Girl (Freaky)  
Crazy Girl (Freaky)

What we had now it's gone

I want something that you cannot give  
I want Somewhere where the sun will shine  
Why must we be so incompatible?  
Why must we be so incompatible ?  
Freaky cos I thought I was in love

Crazy Girl (Freaky)  
Crazy Girl (Freaky)  
Crazy Girl (Freaky)  
Crazy Girl (Freaky) Kind of special in so many ways

What we had now it's gone

Crazy Girl (Freaky)  
Crazy Girl (Freaky)

Crazy Girl (Freaky)  
Crazy Girl (Freaky)  
Crazy Girl (Freaky)

What we had now it's gone
