All my bad bitches report their Instagram right now  
I just caught a hundred thousand to life  
Money, we treat it baby

Instagram that hoe, Instagram that hoe  
Instagram that hoe, Instagram that hoe  
Wave wave wave wave  
Wave wave wave wave (Instagram that hoe)

Instagram that jet (jet), Instagram these kicks (kicks)  
Bouve on my wrist, Instagram that bitch  
Instagram that track (track), Instagram these racks  
(racks)  
Fell up off that balcony ass, so fetch your bounce right  
back  
I got hoes off of my roader, bracelet all on my ankle  
Fuck parole and strip a pole, I love them hoes to their  
ankle  
Instagram that hoe (hoe), Instagram her mama  
Instagram that bitch on the top of the whip while she  
giving me knowledge  
Alleging and more queen (money)  
Hundred racks in my jeans (money)  
And he ball hard on the wall so all of you heard he bitch  
scream (money)

Homie on that camera

She run a nigga with cash so her questioner I pass  
Diamonds all on my fingers

She fuzzin all in my mirror, sendin pics to my phone

My jelly's all on my feet

Fountain blue I floss  
Prostitutes don't charge  
Empire on top, my Instagram - my watch  
Five days on my yacht
