Aiyyo crack, these niggaz is playin' mad childish  
games  
Niggaz act like it's a rap  
Yeah, it's a rap, for y'all motherf-rr-uickers  
Niggaz replacin' the 'G' in gangsta with PR's and W's

Pranksta wanksta-ass niggaz  
You know roses go on caskets of those that oppose the  
squadus  
Fuck tri-borough, we reppin' five borough  
Get at these niggaz straight music

Yo, friday night, woke up in a cold sweat  
I can't believe niggaz schemin' on Joseph  
Nah man, this ain't the way it's goin' down  
Niggaz talk too much shit, and I jump like the sound

They fear my presence like the rest of them  
Jose's the bettin' informer, flesh-n-blood like the  
president  
Now maybe I'm a target on the pedastal  
Got a little fame now, niggaz wanna harm me for my  
revenues

Start ya little beef, that's the shit I love to eat  
I been a soldier, you a son, be a humble seed  
My own niggaz let them hoes make 'em envy  
Posin' like they friendly when I'm knowin they resent me

That's the shit that get me aggrevated  
It be the same niggaz in ya face talkin' 'bout, "I'm glad  
ya made it"  
Fake niggaz, Jers' State niggaz  
Funny how cake can make ya learn to hate niggaz

You've now tuned in to the sounds of Jose  
Where we push sex, money, drugs, and violence all  
day  
Mostly heard in penals and project hallways  
And by niggaz blowin' trees out the back of O.J.'s

(J)

These jealous niggaz is worse than bitches

(O)

The ones that get knocked is bound to turn snitches

(S)

Still talkin' shit, still ain't shit

(E)

You envious niggaz can suck my dick

(J)

Hahaha, ohh, now y'all feelin' the kid

(O)

Yeah nigga, south boogie ain't goin' nowhere

(S)

Don Squad-agen, Terror Squad that is

(E)

Blaze niggaz over beats in the streets

Joe crack gon' hold that down

You seen the kid up in the clubs, BET, MTV

On yo' block, on my block, however you wanna fuckin'  
slice it

Bastards, poof
