We talking big money, big estates,
Big cars, big cribs, bad bitches
Plenty of them nigger, foreign bitches
I don't know what they be saying half of time nigger
Dark side

... would stop... we was only paying... to the ones that
came before
It's like lucky luciano, and al capone
Originated for selling... no liquor stores
Talking kobain, cocaine, that hard white
Pumping go train, go wings, it's all white
Hussle my way to the top but took flight
Haters try to pull the ladder...
Sitting in my castle, surrounded by naked dancers
And fully automatic stick... of the cancer
No answer for this life we just live it
The only question now is you with it
Travel so much you sway nigger move his...
Interiors and g5 skies is the limit
It's no biggie, I does it in my sleep
Dark side to ya, we do it for the streets, motherfuckers

Fast cars and bad broads
Every day we be about that dollar
Champagne popping yeah
You can't stop us, we on our hussle, so fly
Yeah we live the fast life
We hussle yeah, we bout that life

Niggers spit bars, all my niggers sit behind them
Serving sentences ever since... that's what's designing
Gazelle phrase bring a shape...
I'm in my bread already, and I'm...
Pull off the lot and every bitch got they eye on it
Tuxedo black phantom, nigger put a bowtie on it
Married to the game, glass shaped pool swimming in
the champagne
Every day's a honey moon, whoa
Invisible setting all in the bezel
From rolex to the treatment, this sweet is all

presidential
No safety on the plastic, the glock got 40
Ways to put you in a casket, choose 1
And never push the pedal to the shoes
Come supplying as a habit till they put your ass on
news 1
You got 1 like the... bruise some
I know niggers ain't coming home till 2000 do
something

Fast cars and bad broads
Every day we be about that dollar
Champagne popping yeah
You can't stop us, we on our hussle, so fly
Yeah we live the fast life
We hussle yeah, we bout that life
