Name your price
A ticket to paradise
I can't stay here any more
And I've looked high and low

Lord, I've been from shore to shore
And if there's a short cut
I'd have found it
But there's no easy way around it

Light of the world, shine on me
Love is the answer
Shine on us all, set us free
Love is the answer

Who knows why
Someday we all must die
We're all homeless boys and girls
And we're never ever heard

It's such a lonely, lonely world
People turn their heads
And walk on by
Tell me, is it worth just another try?

Light of the world, shine on me
Love is the answer
Shine on us all, set us free
Love is the answer

We gotta love one another
When you feel afraid
When you've lost your way
Hey, when you're all alone
(Love one another)
When you're far from, far from home
(Love one another)

When you're down and out
(Love one another)
All your hope's run out
(Love one another)

I said you need a friend
(Love one another)
When you're near the end, love
We got to love

Light of the world, shine on me
Love is the answer
Shine on us all, set us free
Love is the answer

Light of the world, shine on me
Love is the answer
Shine on us all, set us free
Love is the answer

Light of the world, shine on me
Love is the answer
Shine on us all, set us free
Love is the answer
