Don't leave me alone 'cause I'm coming down
Yeah I'm coming down
Yeah I'm coming down
Don't leave me alone 'cause I'm coming down
Yeah I'm coming down
Yeah I'm coming down

In the year of 2004
We were sent to end a bitter score
Not knowing the purpose of the war
Buoyed by our nation's pride
We battled on inspired
Believing we were admired

But the enemy was all around
Now my instruments are shutting down
On my radio your voice I found
Now it's the only sound
Hurtling to the ground

Don't leave me alone 'cause I'm coming down
Yeah I'm coming down
Yeah I'm coming down
Don't leave me alone 'cause I'm coming down
Yeah I'm coming down
Yeah I'm coming down

Now my life is coming to an end
As I'm running out of oxygen
And you stranger are my only friend
Tell your people not to make
The same mistakes that we made

Don't leave me alone 'cause I'm coming down
Yeah I'm coming down
Yeah I'm coming down
Don't leave me alone 'cause I'm coming down
Yeah I'm coming down
Yeah I'm coming down
Don't leave me alone 'cause I'm coming down
Yeah I'm coming down

Yeah I'm coming down
Don't leave me alone 'cause I'm coming down
Yeah I'm coming down
Yeah I'm coming down
