I'm such a loser, man
I've been away from you so long
Now you're on my mind
Forgetting how to talk
I've been refusing you so long
Are you still on my side?

Worse than all the worst things that I've done
Are the things that I said
I nearly lost you there I must have
Rocks in my head
Rocks in my head

I'm such a dreamer, girl
I just don't get myself sometimes
But now you're on my mind
But here I am for real
I can't go on if I don't know
That you're on my side

Worse than all the worst things that I've done
Are the things that I said
I nearly lost you there I must have
Rocks in my head
Rocks in my head
Rocks in my head
Oh no!

You could run a mile could lose your head
I won't make the same mistakes again
Can't believe I nearly lost you

Rocks in my head
Rocks in my head
Rocks in my head
That's the way it feels
Rocks in my head
Rocks in my head
Rocks in my head
Oh no
