Lookin' tonight under bright city lights
Lookin' tonight for love
Lookin' tonight under bright city lights
Lookin' tonight for love

Friday night is finally here
An' I'm goin' out for a night on the town
Well, well, I've been workin' hard all week nine to five
Now, it's time to let my hair down, down, down, down

Gonna find me a lady, lady
Somewhere in this great big city
Ooh, my body's yearnin' for affection
I'm lookin' for a piece of the action, action, action

Lookin' tonight under bright city lights
Lookin' tonight for love
Lookin' tonight under bright city lights
Lookin' tonight for love

Checkin' out all my favorite spots
An' I'm lookin' for someone all alone
Well, well, I've been tryin' hard all night to find love
But it seems like I keep on strikin' out, out, out, out

Gonna find me a lady, lady
Somewhere in this great big city
Ooh, my body's yearnin' for affection
I'm lookin' for a piece of the action, action, action

Lookin' tonight under bright city lights
Lookin' tonight for love
Lookin' tonight under bright city lights
Lookin' tonight for love

Ooh, ooh, I'm searchin'
And I'm lookin' for a sure fire lovin'
I'm a lover on demand
Yeah, I'm lookin', lookin' for some fun

Lookin' tonight under bright city lights
Lookin' tonight for love

Lookin' tonight under bright city lights
Lookin' tonight for love

Yeah, yeah, I'm searchin'
Said I'm lookin', lookin', Lord, Lord
Everywhere I must, till I find a lover

I'm searchin', searchin'
Yeah, yeah, for a red hot lady
Any lady show up and then don't talk
Don't matter much to me
I just want to get it on

Lookin' tonight under bright city lights
Lookin' tonight for love
Lookin' tonight under bright city lights
Lookin' tonight for love
(I'm a lover on the run)

Lookin' tonight under bright city lights
Lookin' tonight for love
(And I'm lookin' for some fun)
Lookin' tonight under bright city lights
Lookin' tonight for love
