Looking tonight for love

Looking tonight, under bright city lights, looking  
Tonight for love

Looking tonight, under bright city lights, looking  
Tonight for love

Looking tonight, under bright city lights, looking  
Tonight for love

Friday night is finally here and I'm going out for a  
Night on the town

Well well, I've been working hard on week all the time  
Now it's time to let my head down, down, down  
Gonna find me a lady (lady) somewhere in this great  
big  
City

Oh, my body's jamming for a fiction, I'm looking for a  
Little bit of action

Looking tonight, under bright city lights, looking  
Tonight for love

Looking tonight, under bright city lights, looking  
Tonight for love

Take me out on my favourite spot and I'm looking for  
Someone all alone

Well well, I've been trying hard on right to follow  
But it seems like our tip is shining out, out, out  
Gonna find me a lady (lady) somewhere in this great  
big  
City

Oh, my body's jamming for a fiction, I'm looking for a  
Little bit of action

Looking tonight, under bright city lights, looking  
Tonight for love

Ooh, I'm searching and I'm looking for a short bay of  
Loving

I'm a lover on your mind and I'm looking, looking for

Someone

Looking tonight, under bright city lights, looking  
Tonight for love  
Looking tonight, under bright city lights, looking  
Tonight for love

(Solo)

Looking tonight, under bright city lights, looking  
Tonight for love  
Looking tonight, under bright city lights, looking  
Tonight for love

Yeah, I'm searching, said I'm looking, looking  
No, no, with a way for a super lover  
I'm searching, searching, yeah for a hot lady  
Here's a lady, super thing, don't talk  
No matter what you need, I just want to give it all

Looking tonight, under bright city lights, looking  
Tonight for love  
Looking tonight, under bright city lights, looking  
Tonight for love  
Looking tonight, under bright city lights, looking  
Tonight for love  
Looking tonight, under bright city lights, looking  
Tonight for love.
