Zoom, just one look and then my heart went boom
Suddenly and we were on the moon
Flyin' high in a neon sky, oh oh

Bang, just one touch and all the church bells rang
Heaven called and all the angels sang
Sunrise shine in the midnight sky, oh oh

Oh zoom, you chased the day away
High noon, the moon and stars came out to play
Then my whole wide world went zoom
(High as a rainbow as we went flyin' by)

Faster and faster we were higher than high
For once in my lifetime I was finally free
And you gave that to me

Zoom, you chased the day away

High noon, the moon and stars came out to play
Then my whole world went zoom
Moonbeams dancin' in the afternoon

Shadows blowin' as the roses bloom
Lookin' down on a wonderland
Smack just one kiss and I was outta whack
All at once there was no turnin' back
All so far above the brighter star, oh oh

Oh zoom, you chased the day away
High noon, the moon and stars came out to play
Then my whole wide world went zoom
(High as a rainbow as we went flyin' by)

Faster and faster we were higher than high
For once in my lifetime I was finally free
And you gave that to me
